

Maquette Paintings

We measure everything, rightly or wrongly. It's our pleasure.

Metrics, optics, graphs, approximations, quantification, qualification, guesswork, opinion, intangibles, speculation, functionality, data: there is a certain nostalgia to knowing.

The "Maquette Paintings" model a preoccupation with space, i.e., coping with the visceral intimacy and the largess of measured space[s].

Maquette [For Large Space]

Maquette [Study for Small Country/Large Sculpture]

Maquette [SpaaceTiime]

Maquette [Gigante]

Maquette [Alien (Philosophy) versus Predator (Populism)]

Maquette [Watching Climate Change]

Maquette [Space Machine, and So On]
